

KEYFS News Letter

Hi all,

Welcome to the Summer term, we are hoping for some warmer weather and lots of outdoor play.

Our topics this term will have a summer theme and we will look at holidays, days out and favourite places to go. Please add any photos you have to Tapestry and we can talk to the children about this.

Robins – We are encouraging children to become independent at tasks such as hanging up their coats, putting on/off shoes and putting lunchboxes on the trolley etc in preparation for when they move on to school. Your support at home with this is appreciated too.

During this term we hope Robins will be visiting their schools and their teachers will be visiting them here too.

Main Dates for your diary - more details to follow.

Tuesday 5th July – Forest School Summer BBQ

End of Year Activities Week

Monday 11th July - Sports Day.

Tuesday 12th July – Summer Outing – All invited including parents etc

Wednesday 13th July - Fancy Dress Day.

Thursday 14th July – Pre-School Leavers lunch & ceremony (Robins only after 1pm please)

Friday 15th July – Disco & Party Games (Last day of term)

Suncream & Sunhats

Please could you make sure your child comes to playgroup with suncream already applied and a spare labelled bottle in their bag so we can reapply if necessary. Even if it doesn't look too sunny in the morning it often warms up quickly and as we spend a lot of time outside it helps if children arrive with suncream already applied. Named sunhats are also necessary too.

Staff

We are delighted to welcome two new members of staff who will work as bank staff and support us on our busy days:

Jenna has started with us already, she has 2 children of her own and is very passionate about the outdoors, she has already introduced a growing area to our garden.

Nicky is starting with us this week and has a level 3 early years qualification. She is also currently completing her Forest School training and has lots of experience in childcare.
