

KEYFS News Letter

Hi all,

We hope you had a good Easter break and are looking forward to some summer weather!.

Continuing our topics of growing / animals / nature we will be looking at life cycles and mini-beasts this term.

Robins only allowed in their nest this term please.

We would like parents of the **pre-school** children to sign their child in then leave them to go into 'Robin's nest' where we will help them organise their things. Please only come into hall to talk to staff. Thank you for your co-operation any problems please talk to Owl.

After half term (27th- 31st May) Robins will be visiting their schools and their teachers will be visiting them here too.

Main Dates for your diary - more details to follow.

Thursday 20th June - Summer Outing – Slimbridge - All invited incl parents etc.

Thursday 11th July Forest School BBQ (all day in woods no bus)

Please could you make sure your child's name is on all their things (hand written biro is fine!) Any items we find can then be put on their pegs. Items not claimed after a few weeks will assumed to have been donated to our 'spare clothes' collection!

Literacy

As part of getting ready for school, Robins will be bringing books home to share with you. It is a great way to share some special, quiet adult to child time preferably away from any screens or noise. 15 mins before sleep would be ideal. (All children from birth to teens benefit from this routine.)
