

Hi all,

welcome back after half term.

Fireworks and lights will provide a popular theme to explore colours, textures and science at the start of this half term.

**We welcome Ellison and Florence to our Lambs this term.**

Our nature/interest table is full of interesting things collected from outside and great for making pictures, collections and arrangements – known as transient art!

Children in Need (**Thursday 12<sup>th</sup> Nov**) will, sadly, no longer be a chance for coffee and cake but all our children can still take part in the fun sponsored obstacle course they have been practising. We will run it throughout the week so please get their forms filled in.

NEXT MONTH for your diary

**Thursday 17<sup>th</sup> December -  
Nativity, Christmas dinner & a  
visit from Santa.**

**Last day Friday 18<sup>th</sup> December  
Return Monday 4<sup>th</sup> January 2020**

**Please note Chickenpox is in  
the area!**

### Extra COVID-precautions

1. No parent/carers in the setting if possible.
2. Staff on the door will wear a mask / visor.
3. Children to sanitise hands on entering the building and wash before playing.
4. Plastic lunch boxes please.
5. Spare clothes in a bag to stay in the setting.
6. Please social distance from each other when waiting to drop off or collect.

Many thanks for your co-operation.

Thank you for your continued engagement with your child's online learning journey. We always welcome your comments and additions to this as YOU are their most important role models and educators.

Your comments and feedback about our setting are always valued. Please feel free to offer suggestions as to how we may improve things for you and your children.
