

KEYFS News Letter

Hi all,

We are happy to have been able to welcome more of our children back for this final half term and are having fun preparing our Robins for transition to school and settling back our younger children into our temporary space at Beckford with its excellent playground. We also welcome Ben (4) and Luke (2).

Continuing our topics of growing / animals / nature we have been looking at life cycles, mini-beasts and the sea animals this term.

Thank you to all parents for your continued support in abiding by our COVID-19 extra health & safety measures.

We have been fortunate to be visited by Overbury School Reception teachers Mrs Frichie & Mrs Rainbow and have shown the children the virtual tour of the school and Angus's (friend of Jenny) booklet too. Ask your child if you don't know Jenny!

Literacy

As part of getting ready for school, Robins will be bringing books home to share with you. It is a great way to share some special, quiet adult to child time preferably away from any screens or noise. 15 mins before sleep would be ideal. (All children from birth to teens benefit from this routine.)
